

 **Lightning Protection**

# Thunder Blocker

This product line provides lightning surge protection for various types of electronic equipment, from those used in the office to those used in the home, such as multi-function telephones, household appliances, and office equipment. The products play an essential role in the creation of a highly reliable internet environment or in the development of a LAN lightning protection system.

# Thunder Blocker

## ■ SPR-TB-CAT5e

### Performance

Type	SPR-TB-CAT5e
Protected objects	1000Base-T,100Base-TX Token Ring peripheral units
Protect deviecs	Personal computer Server Hub · Router
Major specifications	RJ-45(8-conductor protection)
Dimensions of unit (mm)	W:81 H:40 D:35

## ■ SPR-TB-PT2-A1

### Performance

Type	SPR-TB-PT2-A1
Protected objects	personal computers, telephone, modems,facsimiles
Major specifications	Power plug socket (stopper) RJ-11(2-conductor protection)
Ratings(AC)	125V 15A
Dimensions of unit (mm)	W:47 H:66 D:34

## ■ SPR-TB-P-A1

### Performance

Type	SPR-TB-P-A1
Protected objects	OA units,server UPS, AV units
Major specifications	Power plug socket (stopper)
Ratings(AC)	125V 15A
Dimensions of unit (mm)	W:47 H:66 D:34

## ■ SPR-TB-TV-A1

### Performance

Type	SPR-TB-TV-A1
Protected objects	TV,Video
Major specifications	Power plug socket (stopper)
Ratings(AC)	125V 15A
Dimensions of unit (mm)	W:46 H:108 D:33
